The Story:

I call this a dreadful experience. I called the agency at 2pm and made a 5pm booking. at 16:50 I got a text saying Gabby is running 5 minutes late due to traffic and needs an extra 5 minutes to get herself ready. She didn't get to the flat till 5:30pm. At 5:30 I was asked to make my way to the flat. The receptionist said I would get my full hour. When I got there, we did the paperwork, and I was asked to go into the bedroom, she said while I go to the bathroom.

After when she came into the bedroom, it was NO KISSING, NO OWO, just a very, very basic service. I wasn't allowed to put my cock anywhere near her leg, in case is slipped into her pussy. Gabby's dislikes on the list of the NB shows poor hygiene as the only dislike. This is a lie. This list is far too short.

At 6:10 she said, you better hurry up because the flat is booked and we need to get out for the next booking. I was out at 6:15. The lady for the next booking was standing outside the flat door at 6:15 waiting to come in.

I did raised a complaint to the agency about the booking but as usual, they were not interested. my booking ended 15 minutes early but they said that was my fault, I should have requested to stay. I asked if I post a negative review on the agency website, do they get published, you know that answer....No they don't.

I have decided to no longer use the agency due to this bad experience.
