The Premises:

Warm inviting flat in the Hub part of Milton Keynes.
Clean room wnice th en-suite attached.

The Lady:

No idea how old Amira is - she is quite pretty with a wonderful body, and inviting eyes.
Enhanced boobs to a good standard and lovely nipples.
I'd visit her again on the basis of her looks and body.

The Story:

Straight off the bat - Amira was quite warm and we had a cuddle with a little massage to kick off.
Small talk was easy but I don't like to ask too many questions.
She said she had been away on hols for a while and we talked about India briefly.
She started by offering her body so a good hug and kissing of her wonderful boobs started with my hands wondering down towards her pussy but no fingers allowed inside. No kissing allowed either which was a shame.

I delicately touched her pussy and bum hole and she made a number of noises.
I then kissed down the body to her pussy and gave her a good lick around her pussy and tasted clean.

After a few mins she told me to lie back and she dropped a condom onto my cock and with her moaning (which was quite fake) she sucked me quite gently.
The fake moaning continued throughout the appointment and I found it quite annoying to be honest.
We then proceeded to fuck but I found I couldn't get hard - tried her on top with those lovely boobs in my mouth but the fake moaning was irritating and I went soft. Tried a quick wank and still nothing so I suggested she got some lube and gave me a wank.
After a couple of mins I got a good stiffie and after 5 mins she got fed up with me and told me to finish myself off!!

I was a little taken back but complied with the instruction and whilst she dropped the lovely boobs in my face I shot my load after performing a master wank myself.

Cleaned up - no time for shower as next punter was at the door.

I wouldn't visit again I'm afraid - I'm sure having turned up clean and. Fresh we just didn't click.
I don't believe in 20 years of punting I've had to finish myself off before and for that it's a neutral.
