Pretty and slim, big tits but hair too short for me

The Story:

Don't usually pick girls with short hair but nikita caught my eye. I don't know if I'd go for one again as there isn't anything to hold onto when your doggying the girl, which is what I usually do! Anyway, Nikita still satisfied me in many which ways. I saw on her page that she was bi so before we started banging, I asked her to tell me about all the times shes got with a woman and what they did together. Damn that turned me on ;) I had a hard on almost right away and wish I'd got her to come over with one of her mates. Her OWO skills are great but at one point her teeth grazed my dick which is never a good thing. Told her that though and she was super apologetic and made up for it afterwards by riding my dick like a trooper for a good 20 or so mins until I finished. Also saw on her profile that a level included so we had a bit of fun there too ;) Although she isn't typically what I'd go for looks-wise because of the hair, nikita puts on a good show and I'd recommend her to others.
