### The Story:

This is the second time I've been with Amelia and yet again she was all my dreams come true in one beautiful little petite package. I got her to wear the red lipstick she wears in her profile once again and asked her to give me a long wet OWO. She left the lipstick stains on my dick which drove me absolutely wild last time and this time too! I enjoyed looking back over them when she'd departed. The other thing I adore about Amelia and a big reason why I'll keep coming back for more is because she's English so the conversation with her naturally flows. I spent 2 hours with her this time around and treated her to a bottle of champagne and her favourite take away, which is Domino's. The first hour or so was spent doing the dirty stuff, all sorts of positions, lots of enthusiasm and energy. Once the takeaway was finished and our time was nearing an end, Amelia gave me an amazing naked massage with oil and then she deeply kissed me as she left. She is so special to me that I gave her a generous tip, as I'm apparently her favourite customer.
