The Premises:

They have 3 locations . I went to Pimlico. Very smart and discrete flat near the tube.

The Lady:

Very petite , as per website. Toned, with small natural boobs, small pert bum. Very pretty.

The Story:

Tiara was such a lovely experience. She has a charming welcoming personality. She is easy to chat to , and seems genuinely affectionate. Excellent and generous kisser...(none of the "if you must/peck with pursed lips" you quite often encounter). There seemed a genuine willingness to engage and please..

Highly recommended (if you like petite!)
