### The Premises:

Emma's apartment was extremely discreet and clearly accessible, the neighbourhood was upmarket and in easy walking distance from the local tube station. It was no problem finding the apartment and the directions Emma gave were excellent. The location was very clean, with good shower facilities. Emma's room was cosy, very nicely decorated and welcoming.

### The Lady:

Emma is hotter than a volcano on the sun. She is a stunningly attractive brunette with beautiful blue eyes and a sensational smile. She has an incredible figure with fantastic curves a very spankable firm bum, lovely shapely natural boobs that fit perfectly in your hands, fantastic legs and perfect skin. She is utterly gorgeous and massively exceeded my best expectations. Emma has a wonderful personality and is very bright and smart, she's a great conversationalist and someone I would have loved to spend more time talking to. She has a wicked sense of humour and role played phenomenally well. Sensational though Emma's photos are on the website are, you have got to meet her in person to get the full benefit of how sexy she is.

### The Story:

From the moment I first contacted Emma I felt that she wanted to make the experience as good as it could be. She paid close attention to the requests I made and reassured me that she was keen to play out the role play scenario I had in mind. When I arrived Emma made me feel extremely welcome from the outset and was quick to make sure I felt relaxed immediately. She showed me the range of outfits I'd asked to see and had made sure that my requests had been carefully noted and we went through the details of the role play. After I'd showered Emma had changed and immediately went into character. She was superb to play with kept the flow of the "script" brilliantly and threw me some curve balls to keep me on my toes. She made sure that the fantasy was maintained and made suggestions of her own to turn up the heat of the encounter and knew exactly what to do to move the situation on to a phenomenal climax. It never felt rushed and is easily one of the best escorts you will ever meet, a great person to spend time with.
