### The Story:

Margo is one of those girls you'll brag about to your mates for ages after cos some people can only dream of getting the chance to bang her. Her prices are high but there's a reason for that! She's fit as fuck and knows a thing or two about what she's doing. She showed up at mine in a sexy tight black little dress with heels on, greeted me with a proper kiss and after i'd had a quick shower she was already fully naked when i came back to the room. Damn those tits are massive! She said she'd brought some toys with her and asked if i wanted to use any. I picked out a vibrator for her to use and she pleased herself in front of me, moaning while i jerked off. I came on her gigantic tits and she finished herself off too. We chatted for a while (she's english so it's easy) and then went for round two. She took my dick in her mouth and gave me the most intense sloppy OWO before getting out more props and tying my hands to my bedposts and riding my dick like a trooper. She turned round and slowly rode me in reverse cowgirl until I finished. I usually like holding onto the girls arse when in that position but the tying up of my hands was actually pretty sexy! Wish all girls brought props along with them without me even requesting it haha. To sum up, would 100% recommend Margo, she's pure filth!
