The Premises:

Well known place in Fenny Stratford on the outskirts of Milton Keynes. Very Clean, very professionally run with an adjacent free car park!

The Lady:

Quite stunning looking, early 20's, really very attractive with an amazing body, I think I mentioned this to her more than once.

The Story:

I really had a fantastic time and am determined to see her again, but for an hour next time. It was a very sensual massage by a beautiful woman with an explosive and body shuddering climax, that continues to live in my memory days later.
