Beautiful Oriental lady, early thirties, slim figure and quite busty, immaculate makeup lovely long shiny hair wearing very nice lingerie.

The Story:

Greeted at the door with a lovely smile and hug as I have not visited this lady for some time, ushered into the room where I handed over my gift and was asked to make myself comfortable. We discussed my preferences and Terri gave me a fantastic massage with particular attention to the sensitive areas, she then bent me over and whipped my arse hard, this was followed by her fucking me with a strap-on and wanking me with a gloved hand where upon I came profusely. We then had a rest and some teasing before she got me hard again, she gave me some great oral and finished off with a superb fuck. This lady is the very best - beautiful, fun to be with and the best fuck ever !
