### The Premises:

Annabellas has changed the way it operates. Now has ladys' working in pairs. This was a house just across the road from John Lewis/Next. Modern enough and clean. Downstairs room with en suite

### The Lady:

Elise is in her 30's natural and curvy. Personally I find her very attractive, not into skinny.

### The Story:

I have seen Elise a few times and each time I see her I kick myself for leaving it so long. I must be stupid. I go in search of different things at different times as the mood takes me but for an experience where it feels like the girlfriend you wish you had Elise is top notch. Elise greeted me at the door in sweatshirt and jogging pants. I asked if she had any stockings and disappointingly she hadn't. Have you seen her in her latest photo shoot in the private jet? Fuck she looks good!. Anyway she said don't worry I'll make it up to you. She went away and came back in bra and panties looking stunning and sexy. We french kissed for quite a while as Elise began to play with my todger. It was deep & passionate french kissing and it makes all the difference when it feels genuine and relaxed. After a few minutes of this I said, lets get naked and Elise quickly took off her lingerie and lay on the bed with her head to the foot of the bed where I was standing. I leaned forward to explore Elise's body and as I did so Elise took me in her mouth and started on what turned out to be a marathon session of OWO. I must confess, I was in heaven. Elise knew when to go slow, when to speed up, when to go deep, when to just lick. It was absolutely fantastic. After a while we swapped positions to 69 with me underneath and I was able to enjoy Elise's exquisite pussy. I was a very happy man. I didn't want penetrative sex today, just a damn good blow job and by god that's what I got. Elise bless her, worked on me the entire time relentlessly and eventually this old man gave up the goods. It felt soooooo good. Elise didn't hurry me it was all totally relaxed and we had a little chat at the end which was nice. I ran over time a little but Elise was fine and walked me to the door, but then quickly ran back up the hall as she remembered she was naked and the door leads straight out on to the car park opposite. Would I recommend her ? All day every day. I just want stockings next time, they are my fetish and Elise looks even better with them on. Thank you Elise you put a big smile on this old mans face. Until next time.
