The Story:

I've seen Charlotte a few times now. She is just what you want from a courtesan. Look at her website, it is 100% honest. What you see is what you get. She is well organised, professional and reliable.

But her greatest asset is her attitude. The moment you enter her flat, she'll be kissing and undressing you. She has a genuine enthusiasm and passion for her work. She's a bundle of sexiness, she's good at it and she knows it and she wants to share it. I won't go into more detail of what occurred, but suffice to say I left more than satisfied.

Will I be back?

Of course. How can I resist those 'come to bed' eyes and that cheeky grin. I'm totally addicted.

Beware! you may be too.
