The Lady:

Rachel is a very pretty petite blonde with a superbly slim fit body. She has the most fantastic backside (should be immortalised by a modern Michaelangelo) and beautiful small breasts with perfect and responsive nipples. For me she is the sexiest looking woman I have ever met. She is very modest about herself and is only now accepting that the compliments I pay her are absolutely genuine. This was my fourth time with Rachel. The first was three years back and she had a massive and instant impact on me. For reasons I did not then know about we lost contact and I was very upset indeed. To my huge delight we remade contact about 12 weeks ago.

The Story:

This meeting was a special Birthday Treat for me. As agreed beforehand, Rachel modeled three different outfits* for me to feast my eyes on. She posed to my requests and sat on my lap letting me gently caress and kiss that gorgeous body. She looked SEXY as hell in, and out, of all of them and it was difficult containing myself until the time came for me to help her out of the last pair of knickers and show her my appreciation in a very natural way. I do not want to go in to details but I will say that it was a VERY HAPPY BIRTHDAY indeed. I know for certain that Rachel enjoyed it too. I hope I will be seeing lots more of this very special lady.

* Skin tight leggings and top. Micro skirt with stockings and clingy top. White boy-cut knickers (I bought with me and took them home) with a summer top.
