The Premises:

Nice flat in Knightsbridge area, discrete neighbourhood.

The Lady:

Really nice girl, slightly different than on photos, but still very beautiful and easy to talk with. Kissed me on the arrival and was in general very accommodating.

The Story:

We started with a few minute chat and I found her quite interesting. We then started to make out and she kisses nicely but not really DFK. Soon clothes were off and I was squeezing her perky little breasts and playing with her nipples. She then got me to lay down on bed and went straight into 69. I got a deep and sloppy OWO and my tongue was exploring her deeply too. Sex started in missionary and then continued in several other positions. She is active and naughty participant and was seemingly enjoying it too. All in all good session and will return.
