### The Premises:

Donna has a good-sized shared flat a short walk from Bayswater tube. Her place is clean, tidy and well-maintained, with an en-suite bathroom, adequate enough for the requested shared bath.

### The Lady:

Donna is a petite Thai girl around five feet tall, with a lovely little curvy figure, and delightful enhanced breasts. She is aged around 30 years, but with a youthful appearance and attitude.

### The Story:

I was greeted with kisses and hugs before our enjoyable and sexy shared bubble bath. We then adjourned to the bedroom to continue the fun already started. It was a session of mutual oral, 69, and rimming, all of which she expertly carried out. We then enjoyed some enthusiastic sex, with Donna a great sight and pleasure in cowgirl position. She then gave me a really good massage to finish off. A lovely and fun girl who I will certainly be seeing again.
