The Story:

While I had a good time with Genesis and enjoyed her company, I probably wouldn't see her again. She is certainly good at what she does and is polite enough to spend time with, but id like to add that her pictures are almost certainly photoshopped and that she looks better in them than in person. She looked older than her profile and pictures say she is, which was a bit disappointing as I like my ladies to be on the younger side. Anyway, despite initial setback when I first laid eyes on her on her arrival, we still had a nice time and she was happy to do whatever I wanted. I only spent an hour with her which was enough to leave satisfied and her prices are pretty reasonable for outcalls. She gives good OWO and actually manages to deep throat quite well. Her huge boobs are also great and I enjoyed the tit wank she offered me. I think they're like a DDD or something crazy, so if you like big boobs then Genesis might well be up your street.
