The Premises:

A very clean suburban house between Crayford and Dartford. It had shower facilities inside.

The Lady:

An attractive light skinned Romanian girl with pert breasts and a gorgeous peachy bum. She was very friendly throughout the session.

The Story:

After showering, the session began with a brief, but firm massage. This included a minimal amount of body to body. I turned over and received covered oral. I loved it when Sofia slapped it on her mouth. I just had to have a better view of that gorgeous bum so I asked her to stand with her back to me. We then had sex in doggy position with me standing. I really struggled to come partly because I'd walked about 3 miles to get there. The session concluded in missionary position. A very enjoyable session with a classy girl.
