Nice, clean flat in the usual S Kensington location

The Lady:

Tina is a beautiful Thai lady who looks just like her pictures.

If, like me you like Asian girls with big (actually, huge) tits, you'll be in heaven.

The Story:

Tina met me wearing a figure hugging black woollen dress which enabled me to warm my cold hands on her lovely breasts.

After my shower, we kissed for a while and then she gave me a fantastic blowjob/ball licking while I played with those wonderful tits

until I couldn't hold back any longer. A relaxing massage followed.

Didn't get to taste her this time, but That's definitely on the menu for my next visit which will be soon.
