The Lady:

Milushka has beautiful long dark hair all the way down to her ass. She is quite petite which is exactly what I wanted. She looks very similar to photographs online. She smelt amazing and was very clean.

The Story:

Milushka came to my apartment at the time arranged and was promptly on time. She was very polite and was stunning at first sight. She relaxed me straight away as I had a long day at work. She slowly undressed and teased me in the lounge before taking initiative to lead me to the bedroom. She gave me a great time and was so much fun. Cant wait for next time.
