The Premises:

Eva's place was very nice and inviting. She had clearly cleaned before my arrival which was nice to see an effort made. She had fresh bedding and was prepared for me to come.

The Lady:

My favourite things were her busty tits. They were such a great size and I had such fun with them. She was beautifully tall with long legs which I loved!

The Story:

I arrived slightly late but Eva was still accommodating. She lead me to her bedroom where she had neatly laid out a towel for me if I needed it. She showed me where the bathroom was if I needed it but I was ready to get straight down to it and so was she by the looks of it - this turned me on immensely. I had a really fun time with Eva and she made me cum everywhere.
