Very nice apartment in a large block in central MK.

The Lady:

Serena is much thinner than the website photos suggest but she does have a fabulous pair of breasts.

The Story:

Having tried to book Morgan at MKE and finding out she was fully booked I opted for a booking with Serena, based on the website photos, services offered and positive reviews.

However, this was the worst appointment with an escort I've ever had. Serena was not in the least bit interested and it showed. As soon as we were both in the room she took her own clothes off and asked me to do the same and pointed for me to get on the bed. After a minute or so of OWO she wanted us to have sex which we did. Trying to kiss Serena was a task and she clearly didn't want to, (I can assure you my dental hygiene is first class). After a short time the big event happened and then she was up and getting dressed.

The appointment was less than 20 minutes old and I was already out of the door.

The vast majority of my experiences with Annabellas and MKE have been very good, the ladies warm and friendly with real passion and intensity but this felt like a cold fumble in a back alley.

Clearly disappointed I immediately phoned Annabellas to make them aware of my experience and disappointment, not that it seemed to matter to the lady on the other end of the phone.

Anyway guys, this is one to avoid, Cheaperthanawife's review from May 2016 is spot on and mirrored my experience, shame I didn't take his advice.
