The Story:

An absolutely wonderful time was had with Esenia. She is a truly beautiful woman both inside and out. However, the only thing that was an issue is that her English is very poor and I found it difficult to communicate with her. She was still very welcoming, kind and open to what I wanted though so it wasn't a problem given I only spent an hour with her. I would have extended for longer if I could speak to her on a better level. Aside from that though, Esenia tended to my every need. She gives great massages and long, deep, intense OWO which you never want to end. But what I liked most is that she has the loveliest perky boobs with gorgeous pink nipples which she enjoyed me licking softly and kissing her neck. All in all, Esenia is a sweet girl but it would be a better experience if I could speak Russian or she English.
