Isabel is really good looking and charismatic. Great body and good English, so easy to keep the conversation running.

The Story:

This was not the first time that I visited Isabel, but she is just one of those girls that you have to see more than once. She looks better than on the pictures and her figure is all you can ask for. Slender and with big boobs. And her smile is intoxicating. She does great at role play and has no issue to take the lead, which I really enjoyed. OWO was exquisite, A-level allowed and we changed as many positions as we could in our 1-hour meeting. Another great session and will most probably be back again.
