### The Premises:

nice flat, neat and tidy and smelt good.

### The Lady:

the lady I wanted wasn't free and they suggested Elen as the perfect fit for my type, small blonde, pert breasts and pretty and also nice. they were right.

### The Story:

Elen was lovely, she was chatty, smiley and so nice. a bit like the girl next door type, like the girl you've always been friends with and also always wanted to fuck. she was so welcoming and seemed genuinely pleased to see me. a rarity I think she actually looked better than her pictures, normally you meet some escorts and you think boy when you had your pictures taken that was a very good day for you and they have been touched up well but Elen was more natural.

After a chat, we went to the bed which was really comfy but not that I had much chance to enjoy that as Elen was on me. She loved a good snog just like i do and gave a more than passable BJ. for an escort she had a tight pussy which was hot and she wasn't afraid to use it in lots of ways. grinding it in my face and bouncing on my cock.

A lovely girl who has a very horny side. A very very pleasant surprise :)
