The Premises:

Private flat in a secluded area

The Lady:

Lady aged 50 with nice big boobs, black hair and a nice hairy pussy

The Story:

Arrived having had a bit of difficulty finding the place but she invited me and straight into the bedroom

Asked what services I wanted and paid up front

I started to strip off and she just removed her top to reveals a nice bra and then slipped the trousers off to be completely naked

We had a cuddle and a kiss stood up and I reached down for her pussy and she reached down for my cock and started to stroke it

I laid on the bed and she started a gentle massage with some nice Arse Ball and Cock play

I lifted up my arse to let her reach underneath and she started to give me a bit of a wank

I sat up and we had some more kissing while feeling each other and then I asked her if she wanted me to masturbate her - She did and I lubed up her pussy and started to gently frig her till after about 5 minutes she went into a very nice orgasm and she seemed to be enjoying that

Offered me her nice tits to suck on and I am sure that helped her cum

I continued to frig her and she said she didn't think she could cum twice but she was enjoying the clitoral stimulation

We had a bit more of a cuddle and she started to stroke my cock and asked if I wanted her to suck it as that was what we had agreed

I did bend over and she did do some light spanking and cock and ball play before she rolled the

condom on and mounted me 69 so I could kiss her pussy and finger her clit and started the most amazing sucking of my cock

Didn't last long as she is a very good sucker and I shot my load but she continued to pleasure me and kept on sucking

When she had rolled off me she laid at the side of me took my cock in her hand and continued to stroke my balls and commented on how much spunk there was in the condom.

She continued to massage my legs and stroke my balls and then using a wet wipe she removed the condom and we had another kiss and cuddle before I eventually stood up and got dressed and left a very happy man

Recommend her

She is very nice and accommodating and it was a no rush experience and I will go back and probably have sex with her next time
