The Premises:

The very well known parlour in Fenny Stratford, free parking adjacent to the establishment. Door is opened swiftly by the maid who is always polite, professional friendly and welcoming. You are always offered a hot or cold drink on arrival. The parlour is clean and very well maintained.

The Lady:

Poppy is extremely good looking (to my eyes), I am tall and she is short, very without her heels. Blonde hair shapely and firm body with very large and magnificent boobs, she easily passes for a lady younger than her stated years. Looks great in her tunic and looks great out of it.

The Story:

I opted for an hour with Poppy and it was lovely. She gave a genuinely good massage to my back and shoulders whilst we conversed very naturally, every now and then her hands did something to make it difficult to continue a sentence, which added to the anticipation of when I was to turn over! She asked who if any of the girls I had seen before and when she heard she suggested a 4 hand massage with Jamie, having planted the idea in my head I am going to have to arrange this! Soon! When I was asked to lie on my back I was given the spectacular view of Poppy, she not only has a fabulously sexy body, but a really attractive face as well, along with such an easy chatty manner, the experience was lovely, as the massage became more sensual there was gentle finger nails, breath being blown, breasts being used to excite, it was a truly wonderful hour and one I shall repeat, but perhaps not until I have sampled the 4 hand massage with two of the best looking girls that Ego has.
