The Premises:

A spacious and homely ground floor flat tucked away in a secluded corner of Central London which was very easy to find.

The Lady:

Charlotte is a petite, slim, blue-eyed blonde with a Rubenesque bust and a very friendly and calming manner, guaranteed to settle the most nervous client. She was dressed as I requested; immaculately in a white silk blouse, black skirt, black stockings and black high heels with her hair tied back with a black hair clip; her porcelain skin accentuated her rubious lips.

The Story:

I decided Charlotte would be the perfect companion for a Valentine's night booking. Having read her reviews I phoned to see if she was available to be my Valentine. The booking was the easiest I've ever made. The voice on the other end of the line was soft and well-spoken. I arrived at the flat on time and Charlotte opened the door dressed as described, with her blouse showing just a glimpse of the lingerie I'd asked her to wear. Over drinks and the box of chocolates I'd bought with me Charlotte put me at ease and quelled the few butterflies I still had. Moving to the bed - but it would be ungallant of me to describe what took place, you'll have to book this lady to see for yourself - suffice to say Charlotte did everything we'd agreed beforehand and so much more - all with a mischievous twinkle in her eyes and a salacious word on her lips. Time spent with Charlotte is not time deducted from the sum total of your life. I will return very soon.
