### The Premises:

Very tidy place on a row of terraced houses

Best to park at the bottom of the street and walk up. I had rung her told her I was parking and she was waiting behind the door and opened it as I approached

### The Lady:

Pretty girl - prob about 40

Was originally Siberian Fox from Ilkley and then Natasha - or was it the other way round?

Originally said she was Russian but now Canadian - Ah well - does it matter

### The Story:

Invited in and she told me to follow her upstairs

She was wearing a very short skirt - I mean very short and no knickers on so a hand between the legs as we walked up the stairs just to feel the heat of the pussy

Once in the attic I stripped off and she started to and I asked her to let me strip her which she was happy to do

Nice play with her tits and then onto the bed and I started to masturbate her pussy.

She provided me some lube and I went for it and reading the noises she had an orgasm

All the time she was stroking my cock and getting me excited and I went down on her pussy just to sample the aroma - beautiful aroma of a cum woman

She quite willingly spread her legs to allow me full access to her

Asked her to kneel so i could rim her and her bottom was clean and beautiful

We had a bit more kissing and then She took me in hand and brought me all over her tits

Bit of a cuddle and kiss and stroking her pussy and watching the porn on TV and asked her if she would suck me even though I had just popped

She got a condom and rolled it on and went 69 over me so I could feel her pussy again and brought me to a second pop

I have had my cock in her pussy but she complained that it was a tight pussy and a big cock so I must go back and lube her up and try again

Cleaned up and she showed me the massage room so maybe next time a massage and a fuck
