The Lady:

Huge perky tits, curvy round arse, long silky black hair. Looks like glamour model demi rose mawby!!!

The Story:

The biggest tits you'll ever see! As soon as I saw Maia on the agency site I knew I had to book her. She reminds me of Demi Rose Mawby - lads if you know, you know ;) Not only has she got these gigantic perky tits for you to play around with, but her arse is top notch too, a double-whammy if you will haha. She's more than happy to let you cum on them and won't charge extra for it either. She also likes it when you pull her hair and spank her gently when you're doing doggy, which is hot cos I didn't even initiate that. The noises she makes and the moaning, calling me 'daddy' is so so sexy too. To sum up, Maia is probably one of the best girls I've been with, she's just the full package really: tits, arse, face, good chat and up for everything as well.
