The Premises:

Usual Annabellas flat. Clean and fit for purpose.

The Lady:

Portia looks her stated age of 21. Tall and slender, with a really pretty face that smiles frequently. Good English.

The Story:

Portia is a lovely young lady. She is friendly and takes direction well. I like to start out just kissing and stroking in front of the mirror so as to get the visual effect from both sides at once. The view here was magnificent.

No FK, but the light kissing she did was very pleasant.

OWO was very nice but I was already rock hard, so we quickly moved on. Portia got on top - she is tall enough to be able to kiss while doing cowgirl, which is always nice.

I usually can't get enough sensation with a condom on to climax from intercourse. Portia managed it, however - the first time for me in quite few years. That made my day!
