The Premises:

I only do this a couple of times a year, and generally (as you will see from previous reviews) I'm pretty unimpressed. I've been thinking about nipping into GFE for a while....they've changed the routine since I was last in....now you pay your £20/40 1/2/1hour room money to the receptionist and the rest in the room to the young lady of your choice.

The Lady:

So ...to the matter in hand so to speak.....no pics of Sky on the website....she's early 20's small boobs, lovely brown responsive nipples, about 5ft 2 def size 8 short straightened hair, a very pretty face and def around an 8/10 looks wise, slim waist and a shaved pussy which was nicely formed and very responsive to attention.

The Story:

Sky is chatty, keen to please and, after the obligatory 5 min wait post shower came in and snogged my face off. I'd opted for the gfe 30 min experience and I really wasn't disappointed. After some prolonged dfk (hand round the back of the head a really intimate touch) and mutual fondling my towel was removed, sky dropped to her knees and took me all in her mouth (OWO) deep throat with mild gagging and great eye contact....perfect!

I undressed her and laid her on the bed, more fondling, dfk, and a slow route down as she pulled her legs up to her chest I buried my tongue and face deep in her pussy and set to work for the next 10 mins or so....skye was very vocal, came a couple of times, genuinely had shaky legs, and seemed as much into it as I was, on with the mack and deep penetration, eye contact and kissing....bosh!

All in all a great time with a willing and appreciative and chatty great looking young lady....I was genuinely impressed with her.....I'll be back
