The Premises:

A few minutes walk from Paddington station opposite Paddington Basin. Easy to find, though concierge is in attendance. Instructions to find the flat were spot on and had no trouble finding it. The flat is in a modern apartment block. It is neat and tidy with good en-suite shower

The Lady:

Caroline is pretty much as her pictures show but don't get carried away with the photoshopped images. She is still very attractive though. Her best attributes must be the sheer desire she has for sex and the full on FK from the moment we got into her theatre. She has silky soft smooth skin which is lovely to caress. In addition she is intelligent and good company. It felt like we had been seeing each other for ages! Even though this was my first visit.

The Story:

This is what I describe as the Beast from the East tamed by the Best from the East. On the night of the visit we were in a cold snap from Siberia and temperatures were down to -4C. When I arrived several minutes early I was starting to get pretty cold and could not wait around outside any longer. As noted above, as soon as we entered her boudoir the full-on FK started, very nice it was too, though a combination of hot breath and passion soon had my glasses steamed up and me removing coat and other unnecessary items of clothing, though my hands were still too cold to consider full hands on contact.

Time for a quick shower which helped immensely to warm thing up. On returning to the bedroom it wasn't long before my towel had been whipped away allowing her to manipulate my swelling member into her mouth, hands free of course, while I was still standing, then proceeded to provide an exquisite OWO, still looking into my eyes. After a short while we negotiated our way onto the bed having remove her lingerie with only her heels remaining. I then went to dine at the Y, how sweet, and responsive she is to that. She certainly makes it sound like she enjoys it (I'm convinced she genuinely does).

All this interspersed with passionate kissing. Then wearing suitable attire we went into mish. Round one did not take long at all. I felt like a 16 year old again. Following this we had a cuddle and lovely chat like we had been close for a long while (it wasn't even 20 mins yet). She admits she enjoys

her job as she said she would give me a 5 minute break before round 2. Round 2 followed with 69, cowgirl, then her removing the condom so I could shoot the second pop into her mouth. She did not spill a drop! What a good girl.

After this she gave me a good back massage following which we kissed and cuddled on the bed and chatted about all sorts of things but mostly travel which she clearly does like to do. I finished with another warm shower to wash off the massage oil and got dressed, oh then I remembered I had a gift for her.

This is more than I would normally pay for an escort in UK, however when you get quality you don't mind paying for it. This was indeed one of those occasions. She is worth every penny! I would strongly recommend her

Thank you Caroline for a wonderful evening.
