The Lady:

The slightly blurred photos and narrative description on her profile provide a good impression of what to expect: early - mid 20s, bottle blonde, very attractive, medium build, taller than average in height, large breasts, fully shaved. Reportedly Romanian but in appearance can easily hail from anywhere in Europe or around the Mediterranean basin.

The Story:

Nicole greeted me warmly when she entered the room soon after my arrival and after a bit of chit chat proceeded to ask me whether I wanted a blow job giving the option of with or without. The ensuing owo precipitated the gfe, part of which was fk became increasingly more frequent as the session progressed with her initiating it several times towards the end much to my delight. There was also ro and then sex (covered) in missionary and cowgirl with the latter providing me with an excellent view of her attributes. Incidentally these were my main reason for booking her and are every bit as nice in reality as in the profile photos.

The highlight for me was her proactively licking my nipples - something I enjoy but don't like to ask for and so rarely receive. The climax was through a slow hj with her alternating between fk and nipple licking.

In short, a very pleasant 30 minutes with a very pleasant young lady.
