The Premises:

Flat was easy to find and in a close proximity to the tube station. Nice area and clean flat

The Lady:

Very hot looking Brazilian with huge silicon boobs and a top notch booty. Amazing body, no complaints there and her English was ok with that sexy South American accent that is a turn on by itself.

The Story:

Easily booked through Eternity Girls as usual. Their receptionist Ava was really helpful as always, although I was running 15 minutes late, but she managed to move my booking without any hassle. Lara welcomed me with a naughty smile and showed me to the shower. After that it all became steamy hot and a mix of various positions that it would be hard to point out which one I preferred the most, because she just looked great in all of them, which is really not hard with body like this and the South American temperament like hers. Experience that I will definitely try to repeat.
