The Premises:

I was shown into the first room on the left.

The Lady:

Indigenous looking 26 year old Brazilian girl, about 5 feet five in high heels. Lilly wore a black dress and her tits were spilling out of it.

The Story:

I have now seen Lilly at all three HOD locations in London and this was my fourth meeting with Lilly since February 2017.

This was like catching up with a favourite fuck buddy there was so much snogging. Lilly has a splendid pair of natural tits which I fondled and groped and tittfucked and I sucked on her nipples for ages. She put my fingers inside her and pressed her clitoris against them. I ate her pussy and was drenched in her juices. Lilly likes to be pleased. Then we fucked with her on top.

There are some good girls at HOD but Lilly is top, top.

I saw Lilly at Victoria station in October but she disappeared before I could say hello and I haven't seen her on the London menu since our date back in September.

I saw a review of Lilly from 25 February at Annabellas MK. Please, please, please bring her back to HOD3 asap. I see that some girls from yesteryear are making a comeback. Can you bring back red-headed English Sarah & dark-haired Italian Karolina too.
