The Lady:

Dora was the advent girl otherwise I probably wouldn't have booked her. I'm glad I did. She wore a Santa dress as requested.

The Story:

I began by feeling her bum underneath the costume. Then I asked Dora to let down her hair and she agreed. I loved feeling her hair brushing against me as she sucked my cock. We did all the usual stuff but it was Dora's eye contact as she was performing the tasks asked of her that really stands out. She has a wonderful smile and if you met her real life you wouldn't expect such a skinny, unassuming girl to be as good as this in the sack. I fucked her in doggy before taking the condom off and lying on my back and asking Dora to wank me to completion. My spunk shot further than it has done for a long time.

Dora is very sensual and you don't feel that hurried and unwelcome in her company therefore 45 minutes or an hour is needed with her next time cos she has plenty in her locker.
