### The Premises:

Been here a few times before but today was the first time I was shown the room with the ensuite.

### The Lady:

Tall, platinum blonde with gorgeous blue eyes who is from Lithuania and not Poland as advertised.

### The Story:

I had a game plan and Chelsea stuck to it. She instructed me to take my clothes off except my underpants and lie on the bed. She kept stroking my cock, refusing to release the beast from its cage. Then she forced herself on my face, suffocating me with her pussy. Next she unzipped her black PVC top and allowed me to kiss and suck her nipples. Finally she pulled my pants down and edged my cock while simultaneously running her fingertips over my nipples. I threatened to fuck her from behind but she replied "I don't think so" as my own spunk rained on my chest. Chelsea treated me like a faggoty bitch. I am going back again soon and I swear vengeance on her pussy. If you are reading this, Chelsea, you are so getting pounded for what you did to me. Recommended? Hell, yes!
