The Story:

I'd seen Vicky a few years ago and was delighted to find out she was still working.
She meet me at the door and lend me upstairs she looked so sexy in stockings and heels. She took her fee and told me to get comfortable so I u dressed and sat in a chair waiting for her return. As she came back into the room I started to stoke my hard on an the sight of her sexy body. She leaned over me a kissed me before going to her knees and starting to suck my already dribbling tool. She stunning eyes looking right at me as she cleaned my pre cum with her tounge. I had to pull away as I would have exploded there and then. Still with her heels on she got on the bed on all fours and bend over infront of me, I pulled her shaven pussy open and started to lick her , she then instructed Be to lick her arse hole too, what a filthy girl .
I was ready to cum and I wanted her mouth back on my cock so I stood up and she was back on her knees again sucking like fury. It wasn't long before I announced I couldn't hold back any more and exploded in her mouth , she let it dribble out of her mouth and drip on her tits , what a sight .
Before she left the room to clean up she gave me a spunky kiss .

Vicky is a very attractive girl who knows how to statisfy you. I'll be back for more soon.
