The Premises:

Basement apartment, large room with separate bathroom available to use.

The Lady:

Younger looking and a cuter smile in person than the camera captures. All natural size 6 in my opinion not 8 as it says on her profile.

The Story:

Jessie is the embodiment of what you expect when you meet a Thai lady, she is happy and bouncy, has a wonderful smile, puts you at ease immediately and is drop dead gorgeous. She looks younger in person than on her pictures and although it says size 8 on her profile she is nearer a 6 in my opinion. She is all natural and loves to play in bed, everything was so natural a true GFE but with a little nymphomaniac thrown in. She is a lovely person, loves to chat and deserves to be treated right so please if you book to see her treat her well and you will have a wonderful time. We had a couple of turns during the time broken up in the middle with a wonderful foot massage and finished off with her giving me a shower so I was all ready to get back on the road. I will be back for definite.
