The Premises:

A nice modern terraced house. There is a paid car park right in front of house but parking charge is cheap. The bed room is clean and warm.

The Lady:

Ella is a very gorgeous girl and her photos are very real. Even better than her photos, she is alive, full of smile, chatty, smooth and soft skin, and a pair of beautiful eyes. O

The Story:

It was a very cold snow day and I got there a bit earlier than I booked, but I was lucky to be able to see Ella straight away. I waited a couple of minutes and then Ella came in. Once she came into the room and stood in front of me, I was stunned and speechless. She was so beautiful, sexy, full of life that she could match or even better than any porn stars. Her splendid body made me felt I don't know where to start to touch her. She quickly made me feel easy and acted like we were a pair of lovers who haven't seen each other for a long time. Actions started here, which I will leave for your imagination what had happened between us. But I can tell you that Ella was very open minded and fulfilled my every fantasies. Thank you Ella and I will certainly see you again soon.
