The Lady:

She has a tight and slim body. Porcelain like skin with very long hair. Attractive in a pretty girl next door type of way.

The Story:

It was the first time I used an escort agency for many years. I decided on Anastasia after a lot of research online. I wanted someone classy and posh, and the online reviews pointed me to her. I was not let down. She arrived looking very stylish, I loved her choice of dress, stockings and underwear.

I had a great time with her, she seems a very genuine young lady. I loved kissing her and loved even more the BBBJ she gave. She had no problems with me exploding in her mouth. Sex in various positions, doggy being a highlight as she has a great bum.

I am not sure if there is anything Anastasia is not into. She is very adorable.
