The Premises:

Milton Keynes Central (The Hub) near shopping and restaurant area, safe easy to find with good parking.

The Lady:

Gemma is a real honey, cheerful and lively, blond hair in a ponytail, not a blemish on her firm Romanian body. Gemma surpassed the site pictures, tall & slender, with lovely perky breasts and an ass which is so firm and pert. Her pussy was trimmed, lush, with tender lips which are captivating, trust me a real treat.

The Story:

Everything was on time and the apartment block was a clean and a friendly environment. Gemma met me at the door with a warm and welcoming smile in her sexy underwear. I was shown to the room offered a drink and left for a moment to prepare myself, the apartment overlooked the shops and with the radio playing music in the background and I felt relaxed.

Gemma came back, we dealt with the paperwork and both began to softly and slowly stroked each others naked bodies standing up. This was a very erotic and pleasant experience having my nipples kissed and cock careased very tenderly. Gemma skillfully kissed me all over my body and worked me up nicely. Gemma invited me onto the bed and performed oral sex on me, she is very gifted and adept at this, not to be missed. After lots of joint foreplay condom cleverly put on by Gemma with her mouth I was eager to have her body and pussy. Gemma placed herself in a missionary position on the bed with her legs almost around her neck. This exposed her beautiful hairless genitals, and playing with herself she motioned me to mount her and plunge deep into her whirlpool of a pussy. Gemma has strong vaginal control and was able to with her inner pussy muscles squeeze my cock, which surprised me and almost made me cum prematurely. To conclude, I slowly and softly with "Ed Sheeran's" "Shape of your body" song playing in the background lost myself in Gemma's body and eyes. We dressed, talked and in a very civilised manor said our farewells. This was an unforgettable, and highly recommended experience with Gemma the song will always remind me of her.
