The Premises:

Easy to find flat near the city centre quite inconspicuous and easy to get to. Plenty of cheap parking nearby, about a mile and a half from the station.

The Lady:

Ella is a very charming woman who will certainly put you at ease when you meet her. She has a lovely figure with a cracking arse and pert pair of tits. She's full of energy and seemed very easy to please. Her photos at the time of reviewing certainly do her justice.

The Story:

This was my first time with Ella and she certainly impressed me. She asked me if I wanted a drink before punctually returning with the water I requested. We started off with some DFK while I explored her gorgeous body and played with her breasts. She asked me what I wanted being my first time with her I went with the flow so she asked me to lie on the bed before performing some of the best OWO i've ever had. After a few minutes the inevitable happened and Ella let me cum in her mouth before disposing of it in a tissue. Ella then went and washed her mouth out before returning for a quick chat; some more DFK and OWO. Ella then rubbered me up and asked what positions I liked I said I liked doggy but I'm easy she then proceeded to give me a good riding while I sucked her nipples and occasionally kissed. We then flipped over and I gave her a good going to in missionary before proceeding to doggy. I greatly enjoyed the way ella played with my balls as well as her words of encouragement. Sadly I couldn't cum in doggy so I suggested Ella should sit on my face while I had a rest. She tasted delicious and made all the right noises. Following this Ella offered me a prostate massage, something I hadn't tried before. What happened next was a blur of ecstasy that left me trembling, all I can say is i've never experienced anything like it before. After that it was time to clean up and go exactly one hour after we started. Overall I greatly enjoyed my time with Ella and would recommend her to anyone and can't wait to see her again.
