### The Premises:

Fairly standard room in a well-know location in South Ken - easy to reach and hassle-free. Her room was fairly sweltering hot so no skimping on the heating here!

### The Lady:

A little older than the pics might suggest, she is late 20s, Romanian, really good natural shape - not skinny but no excess where it shouldn't be. She was dressed as requested. A little over-done make-up-wise, but nothing too frightening!

### The Story:

Super confident and cheerful, this chatty girl is quite a minx. Having had a quick shower, I returned to the room to be greeted with an already dancing Albany who was shaking her particularly impressive rear to the Romanian music she was playing. In fact, her immediate showing off of how she can move got me going straight away and I knew she could be a lively one.

After a bit of stroking, she went straight for covered BJ but her technique is very good, not shying away from going deep like some do. She seemed to like to be played with while she was doing all that too, and there was plenty of eye-contact which always helps.

Then it was on to various positions, with doggy particularly impressive and responsive. After that, spent the remainder of the hour deep in conversation about all sorts of weird and wonderful things until time was up.

Whilst Albany is not at the very top of my list to repeat, she is quite naughty and worth seeing. And given how friendly/chatty she is - and how she is willing to take the lead if allowed - I would particularly recommend her for anyone new to this game who maybe wants to start off with a girl who can put you at ease and show you how it's done with enthusiasm and a smile.
