The Story:

My first time using Cheshire Companions, or in fact any agency for years after many let-downs, and I could not have been more pleasantly surprised. The receptionist Bernie was fantastic with back and forth communicating with me and my chosen girls (who weren't on that day's rota), to see if they were free for a short notice booking. Natasha was up for it and everything was arranged quickly.

Fantastic punt! She's a very charming, friendly person and we got along great from the start. After a nice chat she went to change into the PVC outfit and boots I'd requested. She emerges looking mouthwatering and makes me feel so horny from the start. Straight into fantastic DFK, really passionate and full-on. We were all over each other and, apart for maybe 10 minutes break after round one, it didn't stop. Constant snogging, licking, teasing, fucking and utterly filthy talk, talking fantasies.

Natasha is a girl who has mastered the 'slutty GFE' - exactly what I want from a punt. She made me cum twice with ease on this first visit, which will not be the last. Very highly recommended.
