### The Premises:

Great,friendly,welcoming,clean professionally run establishment with well maintained rooms and plenty of free parking close by.

### The Lady:

Stunning olive skinned pocket rocket,great breasts and bum,very pretty face and come to bed eyes.

### The Story:

Greeted with a warm smile,an embrace and a kiss.First impression was wow!On my front on the couch and some friendly get to know you chit chat and Zeena went to work on me.Good massage with plenty of body contact as she rubbed her breasts all over my back an legs,ran her hands along mine and nibbled my ear at one stage,so intimate and sexy.Soon more oil was being applied to my bum and trickling down to ,my balls and cock.Zeena played plenty attention to all of these the most erotic move was when she massaged my cock and balls with one hand and inserted a finger of the other hand into my bum.Sheer heaven & if I were in a different sort of establishment I would have requested a strap on for my bum to be rogered but was more than happy with the wonderful service I was receiving.Turned over to view the giver of all this pleasure and stroked Zeena's breasts and bum to my hearts content and sucked both nipples as she slid her oiled up body over mine.Sensational experience.Plenty more attention to cock,balls and bum before copious amounts of oil was applied to my cock which was expertly brought to an explosive climax by a lady with an incredible technique.Laid back and given a gentle massage to finish off.Unforgettable experience from a gorgeous, highly skilled exponent of the art of giving pleasure.
