The Story:

I arrived on time but wanted a shower so ended up waiting for a while as none of the other rooms were free. Toyah came in the room with a glass of water and chatted for a while. The room became free and I got a shower. Things started well with some kissing and she was very dominant which I enjoyed. She pushed me on the bed and took me in her mouth, fantastic but it lasted for 30 seconds before she grabbed a condom, put some lube on and got on with it. She rode me for a start and I turned her over doggy style, I tried to make it last longer by going down her but she just wanted me to carry on. She then lay on her back and before we knew it, it was over. It certainly felt rushed (like an express service!) - it wasn't a bad experience just not good, maybe it was because I had insisted on waiting to grab a shower but to me that's the right thing to do

Nice girl but it would have been more fun if it wasn't rushed
