The Premises:

Very discreet place. Entrance is on a side street in Sherwood. Loads of free street parking. Tidy clean decor and always clean showers with fresh towels.

The Lady:

Jessica is exactly the girl in the photos. Her body is amazing. Beautiful to look at with young perky breasts and gorgeous back side. I've only seen Jessica a couple of times but she is incredibly good fun to spend time with. All the staff at hush are nice, but Jessica just has that little something.

The Story:

A very erotic and teasing massage. Jessica very quickly aroused my body and then maintained that level of arousal throughout my time. A very skillful young lady with extremely experienced hands. Jessica knows exactly how to use her body to tease a man. Throughout the experience I felt she enjoys her work, never once got the feeling I was just another animal on the farm that needed milking. Despite having the ability to control when I climax Jessica didn't tire or loose interest. End result. An amazing body shaking orgasm. Total value for money.
