The Premises:

A terraced house not far from Plumstead High Street. It is really poor inside, about the same décor wise as a Soho walkuo.

The Lady:

A very pretty young 20 year old Romanian girl with a really firm and fit body. I'm sure there is a similar looking girl working at this address.

The Story:

Really good, but I must cut out the long walks beforehand. Roxanna was very friendly, but the session was a bit business like. Despite that I had ample time to enjoy her lovely natural breasts and firm bum. She gave me covered oral and we had sex in doggy position. There was a mirror on the wall opposite the bed for those who enjoy watching themselves perform! I decided to have a slow hand job finale so I could feast my eyes and hands on her lovely body.
