### The Premises:

her place was very tidy and had clean wash towels and clean sheets on the bed too the place was rather close to the tube station about a 5 - 10-minute walk from the tube it also had a hot shower and the bathroom as very clean too.

### The Lady:

Lisa is a very beautiful young brunette she's quite young around 23 - 24 years old and she is very similar to the photos shown on the website she is of Russian ethnicity and she's also got some pretty amazing curves with big tits and nice sturdy ass.

### The Story:

I called up the agency and asked for a recommendation on a brunette girl with a nice body and the attendant who was very polite suggested me, Lisa, I then had a look at the website and found her profile and I was really interested so I booked her up for 2 hours and at 19:00 I got in her place it was rather close to the Gloucester Road tube station and when I rang her doorbell she came to meet me in a beautiful red dress and I got to say that she looked stunning so we went enside and started to talk for a little she offered me a drink and was very polite and always doing eye contact with me so after we got to know each other better things started to move on to what I was really there for and I slowly took her dress off and she had a nice langerie underneath it and she was really sexy in those she had amazing big tits D size and a nice sturdy and big ass too, she teased me a little before going into oral which was something I really liked it made me feel really turned on, when she got to the oral I was amazed that girl really knows how to do a blowjob it was probably one of the best I've ever had, and the sex was amazing too she did everything I asked her too and she really knows how to drive a man crazy, it was an excelent experience and honestly I couldnt have asked for a better job.
