The Premises:

As others have said, a clean, well-kept building with a welcoming receptionist and a free car park just outside.

The Lady:

Poppy and Jamie are a perfect pair, similar heights - 5' and a bit, one blonde, and the other dark. They have curvaceous figures and a pleasant easy manner. It would be invidious to make comparisons as they complement each other so well. Photos don't really do justice to either of them.

The Story:

This was my third visit to Ego Massage. On both previous occasions, although the ladies did a good job, I didn't really feel any connection with either of them. But as soon as these two walked in the door I knew that this was going to be different. Smiling and chatty, they straight away removed their tunics revealing some very sexy underwear – and bare legs. I lay on the couch face down while they gave me an expert massage, one at my head and the other at my feet. I was fun trying to work out who was doing what. I got it right some of the time but then heard a voice coming from a different direction . . . A pleasant combination of firm and sensual massage.

After the hands had moved under me a few times, it was time to turn over. Before I knew it Jamie was laying across my chest with her perfectly formed breasts in my face. It would have been rude not to kiss them and have a gentle suck of her nipples. She then had a play with my cock whilst Poppy presented herself for similar treatment. Then Jamie was back again, this time chest to chest, with her face so close to mine that our lips almost touched. This went on for some time, the ladies changing positions and rôles until the inevitable happened.

They obviously get on well together and make a great double act. A case of the whole being greater than the sum of the parts.

This pair (or should I say two pairs) have certainly spoilt me for anyone else. I can't wait for my next visit.
